EMPIRE wurde von Josef Glas exklusiv für CRYSTAL MONKEYS entworfen und verwendet original Swarovski Kristalle. Die Idee dieses Design Lusters ist es, einen klassischen Kronleuchter in seiner ursprünglichen Version als zeitgemäßen, glitzernden Chandelier zu interpretieren. Das Spiel mit Licht und dessen vielfältigen Facetten wird in jedem Raum zum absoluten Highlight.

"Altholz lässt eine ganz besondere Atmosphäre entstehen. Es besticht durch seinen Charme und seiner Gemütlichkeit. Jedes Stück erzählt eine Geschichte. Der Sprung zurück in die Vergangenheit in Kombination mit modernen Akzenten und der Faszination der Kristalle. Das ist die Idee designed by Arti / Georg Mühlegger. Mit Kristallen und Kristall-Leuchten von CRYSTAL MONKEYS geht das Altholz eine wunderbare Symbiose ein. Das Highlight für ein stimmungsvolles Ambiente."

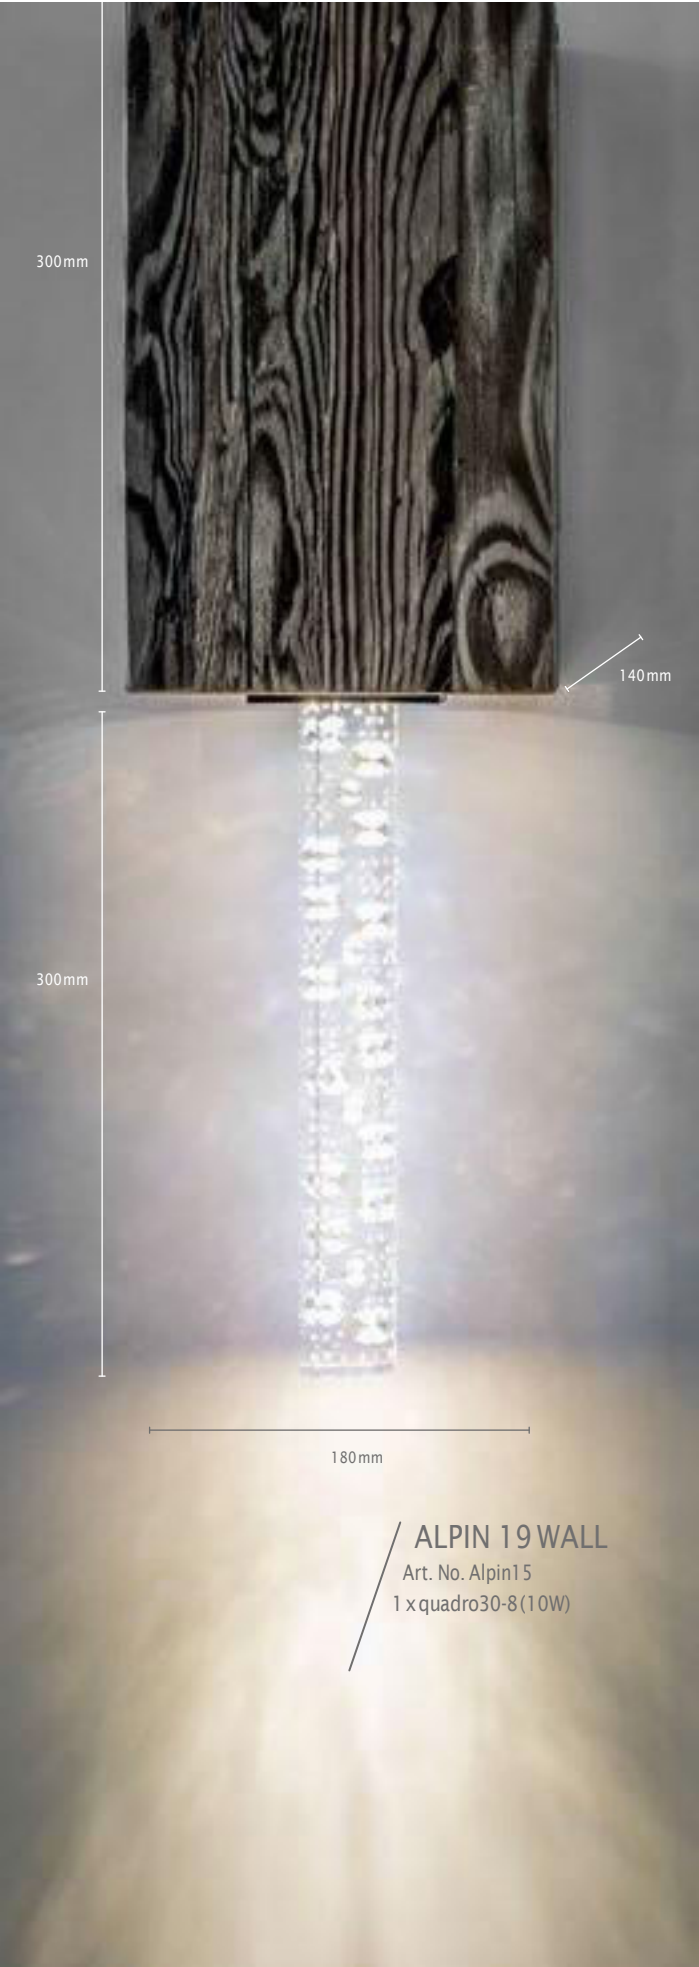

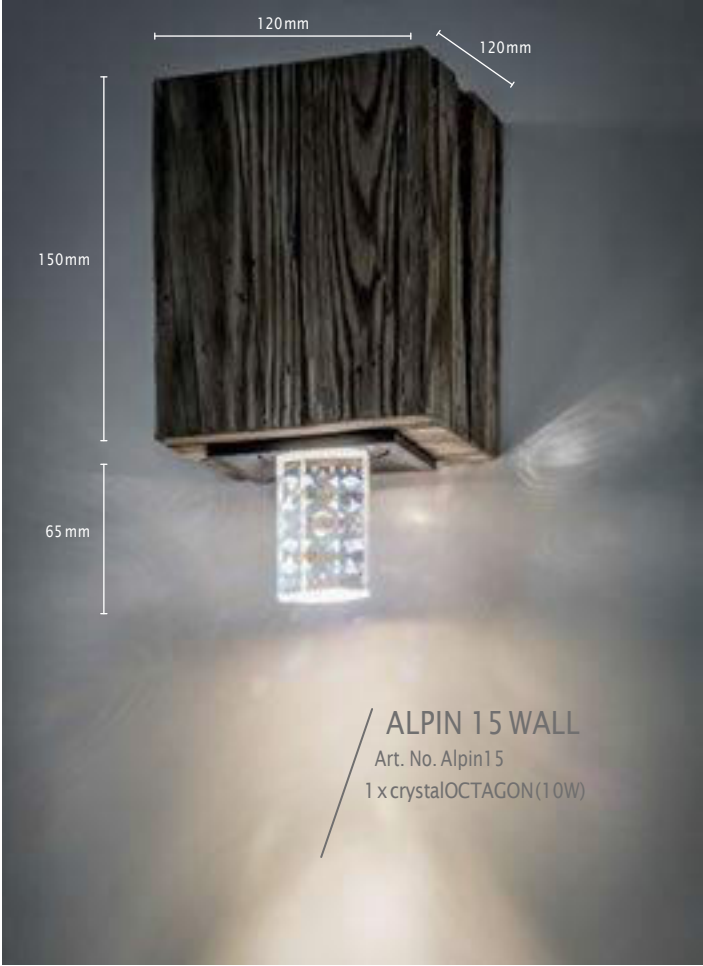

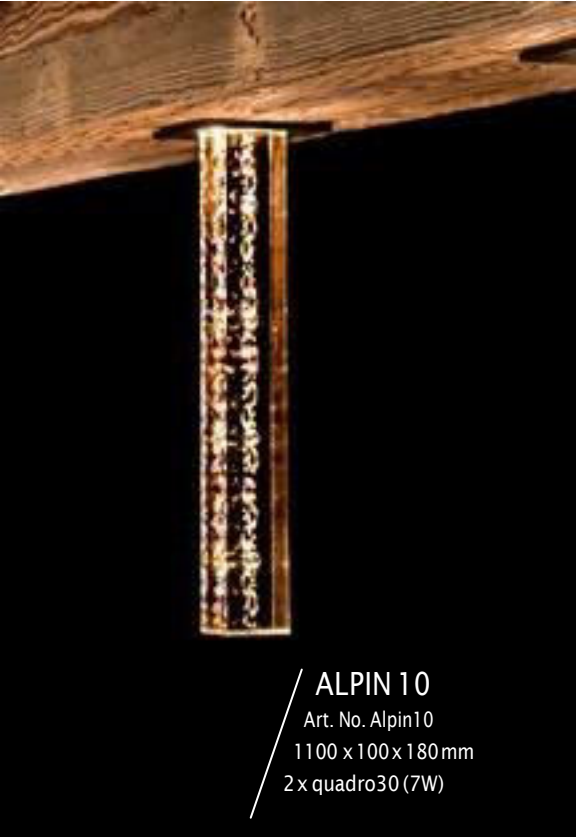

Georg Mühlegger,

'Old wood creates a very special atmosphere. It captivates with its charm and its cosiness. Each piece tells a story. The leap back into the past in combination with modern accents and the fascination of the crystals. This is the idea designed by Arti / Georg Mühlegger. With crystals and crystal lights from CRYSTAL MONKEYS the old wood is a wonderful symbiosis. The highlight for a moody ambience.'
